CHAIRMAN'S REPORT

DARCY LOUND
MFA Chairman

THE 2022 SEASON HAS BEEN A VERY SUCCESSFUL ONE WITH A LOT OF GREAT HIGHLIGHTS BUT ONCE AGAIN A CHALLENGING SEASON FOR ALL OF US AT THE MACARTHUR FOOTBALL ASSOCIATION AS WELL. WITH COVID STILL AROUND WE ALSO HAD TO DEAL WITH RECORD RAINFALL AND FLOODING IN THE REGION, BUT THANKS TO A GREAT WORKING RELATIONSHIP BETWEEN OUR MFA STAFF AND OUR MEMBER CLUBS A LOT OF LATE CHANGES WERE MADE TO GET THE GAMES PLAYED WHICH WAS APPRECIATED BY ALL. IT WAS ALSO GREAT TO FINISH OF THE 2022 SEASON WITH A FANTASTIC FINALS SERIES AND TO HAVE OUR M-LEAGUE AWARDS DINNER BACK AFTER TWO YEARS DUE TO COVID.

I would like to thank and acknowledge the fantastic ongoing support from our partners for the 2022 season: Wests Group Macarthur, Ottimo House, McDonald's in Macarthur, Marsdens Law Group, Guzman Y Gomez, Sam Miguel Yamamura Australasia, Strata Plus, Deploy Football, Stanno, Extract Espresso and Pennytel. On behalf of us all at the MFA we say thank you for your support and definitely look forward to the continued relationship in 2023.

We also had some great events this season and it was great to acknowledge and thank our sponsors at our MFA and M-League season launch nights as well as our M-League Awards dinner and I want to thank all of our staff and member clubs for your support with those events as well.

Some major highlights for the MFA this season, as well as our member clubs, included the launch of our Football for Women and Girls in Macarthur strategy, which will aid us to continue to grow the Women's and Girls game into the future. We also continued to build on the M-SAP League which will continue to grow and give our young players the opportunity to develop their skills and to continue to support coach education as well. We had a very successful joint venture with our Women's M-League competition with five teams joining us from Southern Districts Soccer Football Association which strengthened the league and I thank SDSFA and their clubs for that.

There have been some great milestones reached by some of our clubs this season with Harrington United FC celebrating their 20th season, Eschol Park FC celebrating their 40th season and Campbelltown Collegians FC celebrating their 50th season. I want to thank the current and past Presidents, Committee Members and Volunteers for their contributions to these clubs and Football in the Macarthur region over the years.

A big shout out to the Eschol Park FC for their big Pink and Blue charity weekend, which was back in full swing raising important funds for Breast and Prostate Cancer research. Well done to all involved in this remarkable event.

Our fantastic Macarthur District Football Referees Association celebrated 40 years of officiating matches and I want to congratulate President Derek Meechan, all past and present committee members and all of our past and present match officials for their contributions to our game. The Referees took home the chocolates in the annual President's v Referees game this year, which is always a good fun event.

We had a record number of Macarthur teams make the semi-finals of the Football NSW Champions of Champions competition, with the U14 and U18 Girls teams from Harrington United FC the Hornets making it through to the Grand Final. A special congratulations on behalf of the MFA must go to the Harrington United U18 Girls side for winning Champion of Champions Grand Final 5-0. Congratulations to Coach Ray Zammit, the club, and all the players in the team for an outstanding season and on a great achievement.

In the representative arena it was a very successful season for the Macarthur Rams in the Football NSW National Premier League competitions with the Men and Women winning their respective Grand Finals, which was a fantastic result. In the youth representative competitions, we had several Macarthur Rams boys' teams make the semi-finals with the Rams NPL3 U13 boys and Camden Tigers NPL3 U15 boys finishing first in their respective competitions and making the Grand Finals, which was a great result.

For season 2023, the MFA Board has appointed Michael Giusti (Chairman) and Paul Bertolissio (Head of Football) to oversee the running of all Rams Men's, Women's, MFA AYL and SAP representative activities. This is to ensure better alignment and the same playing structures and philosophies across all our representative programmes, which we believe will be a better playing and coaching experience for all involved. On behalf of the MFA Board of Directors, I would like to thank the Rams Women's outgoing Chairman Rob Laws and his Committee for all of their time and commitment in running the Rams Women's and Girl's programmes over the years.

I want to congratulate our local A-League team Macarthur FC, the mighty Bulls, for their win recently in the Australia Cup Grand Final and we once again look forward to a big A-League Season ahead. The MFA and the Bulls share a great relationship and we will continue to work with the Bulls in building the connection between the A-League and community football.

I would like to acknowledge and thank our MFA media team, Jum Media and Jill Bennett Photography. It was great to have the Grand Finals live streamed again and we really look forward to next season to see all the great action again every weekend.

We always appreciate the quality and coverage from our fantastic Macarthur referees. Thanks to Derek Meechan and all his committee as well as all the committed referees that turn up each weekend to officiate matches for us.

Thank you also to our three great and supportive Mayors and their Council's being Campbelltown, Camden and Wollondilly Shire, as well as our local state and federal MPs for the ongoing support they give the MFA and Member Clubs.

To our great MFA staff who again have faced a very challenging year with record rainfall I want to thank and acknowledge their efforts and commitment to the MFA on behalf of us all. Thank you to our General Manager, Salv Carmusciano, who has worked once again tirelessly to manage the MFA and work with you all as well as our governing bodies and local Councils through a very challenging year. Our Competitions Manager, Steve Carroll, has delivered all of our competitions and throughout the season had a lot of challenges week in week out with late game changes needed due to wet weather and ground closures. Thanks Steve for all your efforts this year. Our Community Football Manager, Kevin Guardado Amaya, who has implemented some great programmes for us and continues to improve coach education; thank you Kevin. We welcomed Michelle Nieass to the MFA team to support our competitions at the MFA and Michelle hit the ground running this season, doing a fantastic job.

It was great to get back to a full season this year and have an exciting finals series for all competitions. I want to thank and acknowledge on behalf of myself and MFA Board of Directors:

- All of our MFA Club Presidents, their Committees and all the Volunteers for your time and effort this season.
- The Players, Coaches, Managers, Families and Supporters for being part of the MFA.
- Jenny Mazuran and the Competition Management Committee members, Peter Ellington and the Judiciary Committee members, Michael Tripodi and the Special Purpose Committee members and our Appeals Committee members.

Also, on a personal note, I want to thank the hardworking and committed Macarthur Football Association Board of Directors who volunteer their time to ensure the MFA is run very efficiently and always moving forward. Thank you to Rob Milne, Colin Campbell, Jenny Mazuran, Rahul Lachman, Peter Kovacsics, Steve Holzer, Nathan Cameron and Hayley Todd. I also want to congratulate MFA Board Director Colin Campbell, who received the Football NSW State Award for his years of service to our great game; well done Colin.

I would finally like to thank everyone once again for supporting the Macarthur Football Association and wish you all the best over the break and we look forward to seeing you all back for season 2023.

2022 AGM AGENDA

to be held at

Ottimo House, 205 Campbelltown Road, Denham Court
on Wednesday, 9 November 2022 at 7pm

AGENDA

1. Opening
2. Apologies
3. Confirm the minutes of the 2021 Annual General Meeting
4. Receive the 2022 Annual Report
5. Receive the Association's financial statements for the previous financial year
6. Receive the Auditor's Report
 - a) motion to sign and send the annual statements to the Office of Fair Trading
7. Appointment of the Association Auditor
8. Appreciation Awards – Club Members
9. Appointment of Patrons (if any)
10. Elections
 - a) Appoint Returning Officer and 2 x vote counters
 - b) Appoint 2 x Scrutineers
 - c) Elect the following Director Positions:
 - c i) Director – Competition Management Committee (two-year term)
 - c ii) Three (3) x Association Directors (two-year term)
 - d) Elect the Following Committee Positions:
 - d i) A maximum of eight (8) Competition Management Committee Positions
 - d ii) A maximum of seven (7) Appeals Committee Positions
11. Recommendations for Life Membership (if any), which requires approval by 75% or more of the members
 - a) Peter Head
 - b) Lorna Graham
12. General Business (not relating to financial matters)
13. Close

MINUTES OF 2021 AGM

Minutes of Meeting Macarthur Football Association Inc. Annual General Meeting Ottimo House Thursday, 18 November 2021

OPENING

Call to Order

The Chairperson (Darcy Lound) opened the meeting at 7.05 p.m. and welcomed all Life Members, Directors, Staff, CMC Members, Clubs and MDFRA.

Attendance

As per Attendance Register. 52 eligible voting members present.

Apologies

David Ahern (Life Member), Steve Goodwin (Life Member), Andrew Bennett (CMC), Dale Hodgson (COB), Rod Ciantar (TIG)

1. CONFIRM THE MINUTES OF THE 2020 ANNUAL GENERAL MEETING

MOTION: The Minutes of the 2020 Annual General Meeting be received and adopted as printed in the 2021 Annual Report.

Moved RUS, seconded MTA

Carried

Business Arising

ESC – Requested clarification on the voting procedure. Salv said two votes per member club per position.

2. RECEIVE THE 2021 ANNUAL REPORT

MOTION: The 2021 Annual Report be received and adopted.

Moved BRA, seconded OPR

Carried

ESC – Questioned whether the total number of participants was accurate as listed on page 40 (Participation summary).

All programs are included in the total number, therefore the total number is accurate.

ESC – Agenda date incorrect. Noted by Salv.

3. RECEIVE THE ASSOCIATION'S FINANCIAL STATEMENTS FOR THE PREVIOUS FINANCIAL YEAR

There is a reduction in registration fees due to COVID-19. Revenue up \$317,000 from previous year. Expenses increased e.g. video and photography. Macarthur Rams grants returned to normal level this year.

ESC – Reviewed MFA's books. Rams grants \$80,000. Is other support provided to the Rams? Salv said MFA pays for the use of Lynwood Park hire.

MOTION: Receive the Association's Financial Statements for the previous financial year.

Moved OPR, seconded STM

Carried

4. RECEIVE THE AUDITOR'S REPORT

MOTION: Receive the Auditor's Report.

Moved GRH, seconded RUS

Carried

MOTION: Sign and send the annual statements to the Office of Fair Trading.

Moved OPR, seconded NAR

Carried

5. APPOINTMENT OF THE ASSOCIATION AUDITOR

MOTION: Accountcorp be appointed as the Association Auditor.

Moved BUR, seconded COL

Carried

6. APPRECIATION AWARDS – CLUB MEMBERS

Darcy Lound presented Appreciation Awards to the following club members:

Cathy Middleton	BRA
Mark Besgrove	ESC
Paul Abboud	MTA
Garry Gorman	MTA
Simon Moore	MTA
Billy Falconer	NAR
Peter Thomas	NAR

7. APPOINTMENT OF PATRONS

Darcy Lound confirmed the following patrons for 2022:

- Campbelltown City Council Mayor
- Camden Council Mayor
- Wollondilly Shire Council Mayor
- Greg Warren MP Campbelltown
- Anoulack Chanthivong MP Macquarie Fields
- Peter Sidgreaves MP Camden
- Nathaniel Smith MP Wollondilly
- Dr Mike Freeland MP Macarthur
- Anne Stanley MP Werriwa
- Angus Taylor MP Hume

Darcy noted Council elections are taking place on 4 December 2021.

MOTION: The above patrons be accepted for 2022.

Moved ESC, seconded STM

Carried

8. ELECT THE FOLLOWING DIRECTOR POSITIONS:

Returning Officer was Steve Carroll. Two Vote Counters were Kevin Amaya Guardado (MFA) and Zac Zuydam (ESC). Two votes per club.

Scrutineers were Amanda Ormerod (BUR) and Nathan Hawthorne (OPR).

a) Chairman (two-year term)

Nominations include Darcy Lound.

Darcy Lound spoke on behalf of his nomination.

ESC – Would like to see the nomination forms to validate as per the Constitution and if anyone has declared a conflict of interest.

Salv: The office validated each nomination.

Nomination forms cannot be sited due to privacy laws. Nominees can declare interests as part of their speeches.

Darcy Lound declared he is a Councillor at Campbelltown City Council and Director of Kids of Macarthur.

Steve declared majority votes (47 votes) and Darcy Lound was declared Chairman.

b) Financial Controller (two-year term)

Nominations include Rob Milne.

Rob Milne spoke on behalf of his nomination.

Rob Milne declared he is the current vice-president of Burragorang District SC.

Rob declared he is a committee member of BUR.

Gail Hohberg (MTA) scrutineered in place of Amanda Ormerod (BUR).

Steve declared majority votes (49 votes) and Rob was declared Financial Controller.

c) Two (2) x Association Directors (two-year term)

ESC – Reading of Constitution suggests when the number of nominations exceeds the number of vacancies to be filled, the nominees that receive the most votes will be elected to the vacant positions without the need to secure the majority of members present and eligible to vote.

Salv: Independent legal counsel was sought to clarify this interpretation. Advice by legal counsel confirmed a simple majority of members present and eligible to vote must be secured for election to the Board. Salv closed discussion on the matter.

Nominations include Colin Campbell, Craig Jackson, Rahul Lachman and Rob Laws.

Colin Campbell, Craig Jackson, Rahul Lachman and Rob Laws spoke on behalf of their nominations.

Colin Campbell declared he is the current President and Secretary of Ruse Football Club.

Rahul Lachman declared he is a partner at Marsdens Law Group and a member of the Law Society of NSW, and a member of Macarthur Board room.

Rob Laws declared he is the current Chairman of Macarthur Rams Womens FC, as well as the bookkeeper of the MFA and some local clubs.

Steve declared the two elected Directors: Colin Campbell (48 votes) and Rahul Lachman (44 votes). Craig Jackson (4), Rob Laws (8).

9. ELECT THE FOLLOWING COMMITTEE POSITIONS:

a) Up to a maximum of eight (8) Competition Management Committee Positions.

Nominations include Fiona Aranda, Andrew Bennett, Kylie Burfield, Lauren Donovan, Paul Ellis, Lorna Graham, Dale Hodgson, Daniel Prince and Greg Wyer.

Salv spoke on behalf of Dale Hodgson who was unable to attend.

Steve declared majority votes for the following:

Fiona Aranda 45 votes

Andrew Bennett 43 votes

Kylie Burfield 42 votes

Lauren Donovan 50 votes

Paul Ellis 51 votes

Lorna Graham 45 votes

Dale Hodgson 37 votes

Greg Wyer 41 votes

Daniel Prince was not elected to the CMC with 28 votes.

- b) Up to a maximum of seven (7) Appeals Committee Positions

MOTION: Voting be conducted by a show of hands for Appeals Committee positions.

Moved OPR, seconded RUS

Carried

Nominations include Ralph Martin.

Ralph Martin was elected by the majority of members present and eligible to vote.

Nominations from the floor.

Ian Kelly Accepted

Michael McKnight Accepted

Michael Winter Accepted

Craig Jackson Accepted

Nathan Hawthorne Accepted

Noel Baldock Accepted

All nominees were elected to the Appeals Committee.

Darcy Lound thanked Steve Carroll and scrutineers. Also thanked the candidates.

10. RECOMMENDATIONS FOR LIFE MEMBERSHIP (IF ANY), WHICH REQUIRES APPROVAL BY 75 PER CENT OR MORE OF THE MEMBERS

No nomination/s this year.

11. GENERAL BUSINESS

MOTION: Destroy all voting papers.

Moved John Gale (Life Member), seconded Greg Wyer (Life Member).

Carried

Salv congratulated BUR, CAM, DOU and STM for completing the National Club Development Program and securing a star-rating.

OPR – Appeals – Concerned volunteers are vulnerable to legal action. Darcy said we need to protect our volunteers. Volunteers won't be out of pocket. MFA considering extra insurance if required.

Looking forward to 2022.

Future dates:

MFA Christmas party Friday, 17 December 2021, Ingleburn RSL

MFA Office closes Friday, 17 December 2021

MFA Office reopens Monday, 10 January 2022

MFA Summer Football Thursday, 20 January 2022

MFA Board Meeting Monday, 31 January 2022

First clubs' meeting Monday, 7 February 2022

Meeting closed 9.05 p.m.

GENERAL MANAGER'S REPORT

SALV CARMUSCIANO
General Manager

AFTER A DISAPPOINTING END TO THE 2021 SEASON, IT WAS PLEASING TO WELCOME BACK OVER 10,000 REGISTERED PLAYERS ACROSS OUR CLUBS THIS YEAR.

As a code, our aim in 2022 was simple – support the safe participation in football for as many members of the community as possible.

Returning to life as we knew it pre pandemic was never going to be easy, but it certainly was something we were all looking forward to. Whilst restrictions were easing, the threat of the virus was still very real and would certainly impact on community sport participation in 2022.

We approached Round One with well over 830 registered teams raring to go, before the heavens opened in NSW like never before. Torrential rain causing severe flooding in our region not only delayed the start of the Football Season, but caused far more serious issues for local community members. Unfortunately, we had not seen the end of it either. Over the course of the season over 2,000mm of rain would fall across our state – approximately four times the yearly average.

Despite the inclement weather challenging us throughout the season, we are proud to have delivered over 2,500

competition matches, included every scheduled M-League match across our four top-flight Leagues, in partnership with the local clubs. We are incredibly fortunate to have such passionate, committed volunteers powering each club and providing opportunities for the community to participate and compete. It is thanks to these members that Football in Macarthur continues to thrive.

As I reflect on the 2022 season, there were certainly many highlights to acknowledge and celebrate:

- The launch of a 12-team **Women's M-League** competition, in partnership with the Southern Districts Soccer Football Association, in what was one of the most exciting seasons on record. We congratulate both the Liverpool City Robins (Premiers) and the Camden Tigers (Champions) on a remarkable season.
- The introduction of **MOJO Sports** as the official grassroots coaching app, as an initiative to help support local coaches and raise coaching standards.
- The expansion of the **Macarthur 'SAP' League** and introduction of the M-SAP Cup.
- The launch of our **Football for Women and Girls in Macarthur 2022 – 2027 Strategy**, setting our agenda as we strive to be the number one sport for women and girls in Macarthur.
- **Picton Rangers** FC securing \$2.13m to upgrade Fairley Road (Picton Showgrounds), thanks to the NSW Summer Bushfire Recovery Grant.
- Wollondilly Shire Council securing \$2m for the **Tahmoor Sports Complex**, thanks to the Multisport Community Facility Fund.
- Camden Council endorsing the masterplan for **Harrington Park Reserve**, with the first stage funded by Council's COVID-19 Community Sport Package.
- Progress being made on the **Lynwood Park masterplan**, with a WestInvest funding application submitted in partnership with Campbelltown City Council.

- A special night at the **2022 M-League Awards**, as we celebrated the very best of Macarthur Football. Congratulations to all the award winners on your outstanding season.
- The thousands of smiles as **MiniRoos Gala Days** returned to conclude the winter season.
- The **2022 Grand Finals Series**. We congratulate all clubs that qualified and salute the 45 Championship-winning teams.
- The **50th anniversary** of Campbelltown Collegians FC.
- The **40th anniversaries** for both the Macarthur District Football Referees Association and Eschol Park FC.
- The **20th anniversary** of Harrington United FC, a year in which the club saluted their U18 Girls team following a remarkable **Champion of Champions** victory. We congratulate the team and acknowledge the efforts of the U14 Girls for progress to the Final.
- A historic first title for Macarthur FC, claiming the **Australia Cup** against Sydney United.
- The **Macarthur Rams and Macarthur Rams Women FC** both adding silverware this season, with Championship victories in the NSW League and NPL Women's Competitions respectively. We congratulate both clubs and pay tribute to outgoing Chairman Rob Laws on a remarkable tenure. Rob is a true champion of the women's game and has served the club with distinction.

It is fair to say that the Macarthur Football Family has much to be proud of, but so much more to achieve. People and partnerships are the keys to our future

success as a code, and to that end, we would like to extend our appreciation to the following:

- The local Councils of Wollondilly, Camden, and Campbelltown. In what was the most difficult season on record, we thank you for recognising the love your communities have for our game and continuing the investment in our local facilities.
- The Association and local club sponsors. We cannot thank you enough for your continued support of our game and the community.
- To the Macarthur District Football Referees Association and all the referees that service the game. Thank you for always giving your best with the whistle in hand.
- To the staff at the MFA. You're a great group of people to work with. Your commitment to the game and those that serve it shouldn't be underestimated. Thank you for delivering such exceptional customer service.
- To the many volunteers that support the running of the MFA on various committees. There are no words that can really express the gratitude and respect we have for you. Thank you for giving so much of yourselves to the game.

On a personal note, I would like to thank the MFA Board of Directors for their support and counsel throughout the year. No one can ever question your passion for the game and for the Football Family. All are a massive contributor to the standing MFA has in the broader football community today.

COMPETITION MANAGER'S REPORT

STEVE CARROLL
Competitions Manager

SEASON 2022, THE FIRST-YEAR POST COVID WHERE WE LOOKED FORWARD TO A FULL SEASON OF UNINTERRUPTED FOOTBALL...UNFORTUNATELY THE BIG WET HAD OTHER IDEAS!

The ongoing rain and the resultant damage that it caused to grounds played havoc with scheduling during the season. Multiple grounds and fields were severely impacted, with many unable to host many home fixtures, and at least two venues, no matches at all. This meant that games were being moved regularly to try and get them played, and on many occasions the number of reschedules topped 150 matches – each weekend! We thank the Clubs, of which there were multiple, that supported other Clubs in hosting their teams at their venues, many at short notice, and in doing so, ensued that we were able to play as many matches as possible.

A number of competitions did suffer full washout rounds, but those decisions were only made after all efforts to have matches played were exhausted. Some of the lost rounds were fully rescheduled only to see the "catch-up" dates also succumb to wet weather closures. We can assure everyone that many additional hours were worked across the season to try and accommodate the multitude of changes, and whilst ultimately some rounds were lost, this wasn't due to a lack of trying, but purely a lack of venues, and the impacting inclement conditions.

The 2022 season saw the inclusion of teams from the Southern Districts Soccer Football Association (SDSFA) in a couple of our competitions, led by the inclusion of five teams into our Women's M-League competition. Their addition resulted in a 12-team competition, and according to feedback received, was a great success. The ability of the MFA teams to test themselves in competition against our neighbouring Association teams was at the forefront of the positive feedback received, and whilst an SDSFA team (Liverpool City Robins) took out the Premiership (just), Camden Tigers took out the Championship in an absorbing Grand Final, with the Tenealle Hay show on full display.

Harrington United U18 Girls played in the SDSFA U18/21 Women's competition as the MFA was unable to offer a competition specific to that age group, and they did themselves, their Club, and the MFA proud by taking out the Championship and Premiership in that competition.

SDSFA also competed in our combined U16/17 Girls competition with Camden Tigers taking out the Premiership/Championship double in Division 1, winning the Grand Final against Mt Pritchard 4-0.

The Narellan Rangers capped-off a strong M-League Men's campaign, claiming the Premiership in First Grade and the Premiership/Championship double in Reserve Grade. The Camden Tigers came from fourth position to take out the First Grade Championship after an entertaining Grand Final ended in a penalty shootout. Eschol Park took out the Premiership/Championship double in the Colts, in what was a great season for that team.

The Grand Final weekends were highly successful events, and many great matches resulted. We thank Narellan for hosting at Nott Oval and Campbelltown Uniting Church for hosting at Lynwood – positive feedback was received regarding both venues which is a high praise for all the efforts put in by the committees and volunteers at those Clubs. The Division 1 Grand Finals were again played at Lynwood Stadium, and like the two aforementioned venues, positive commentary

was received and we thank the volunteers and staff who assisted at that venue.

As we write this report, all MFA teams are participating in the Champion of Champions tournament, and we are confident that each of the teams will give a great account of themselves against the best the state has to offer.

Despite the wet weather playing havoc with our season, it was disappointing to note that the level of forfeits this season (233 matches) was almost four times that of 2019 (57 forfeits) which was our last full season before COVID disrupted the 2020 (54 forfeits) and 2021 (53 forfeits) seasons. There is no clear explanation as to why there were so many forfeits this season, but the number is extremely disappointing particularly as the season was somewhat compromised with so many washouts.

In season 2022 we welcomed a total of 10,042 players. This total represented the third highest level of registrations in the MFA over the past 20 years.

The breakup of registrations saw:

- MiniRoos: 4,470 (2nd highest number ever)
- Youth: 2,498 (lowest number in 8 years)
- Seniors: 3,074 (3rd highest number ever)
- 2,154 Female players (21% of total registrations)

Across 2022, we ran 105 competitions for 839 teams (female teams representing 17% of this number), which despite the decline in player numbers, represented the third highest number of competitions offered by the Association to date. This shows that our competition offering is broad and takes into account the ever-evolving dynamics of the area and the sport in general.

2022 saw the last year of physical Match Cards as, in 2023, we are finally entering into the digital age and moving to electronic match cards. This is possible through the newly adopted competition management system that will offer a better management process for all Clubs and their members, and to the MFA in providing an efficient way of producing draws and overall competition management.

I take this opportunity to pass on my sincere thanks to the Board of the MFA, the MFA General Manager and MFA staff, plus the hardworking members of the Competitions Management Committee for their unwavering support during this challenging year, and supporting the challenges and difficulties that we faced to continue to provide football despite the inclement weather.

I also wanted to thank all of the MFA member Clubs and their volunteers that make the game happen. The game would not operate without the invaluable support and commitment of these individuals, especially in the year that was 2022.

COMMUNITY FOOTBALL MANAGER'S REPORT

KEVIN GUARDADO AMAYA
Community Football Manager

COACH AND PLAYER DEVELOPMENT INITIATIVES CONTINUED TO REACH NEW MILESTONES IN 2022 DESPITE THE WET WEATHER HINDERING SOME OF OUR PLANS.

COACH DEVELOPMENT

The 2022 season saw the MFA have its biggest ever workforce of Community Coach Educators ready to 'flood' the market in pre-season (February – April). Little did we know we would instead be affected by actual floods, eventuating in the postponement and cancellations of various coach education courses throughout the season.

Despite this, we continued to deliver MiniRoos Certificates, Skill Training Certificates, Game Training Certificates, and for the first time host a Community Goalkeeping Course and two Football Australia 'C' Licence Courses.

As the weather continue to affect our ability to deliver as many courses as we wished, we also took to digital platforms to continue coach education.

With so many tools and opportunities for coaches to be supported, the MFA is confident that players and coaches alike will continue to have positive experiences through the world game with the support needed to help develop the next generation of footballers across the Macarthur region.

COMMUNITY COACHING COURSES

Making community coaching courses more accessible has been a focus for the MFA over the past couple of years.

To do this, we have trained and developed coaches from and working in the local areas to be able to deliver more coaching courses in more locations. This has led us to be one of the leading associations in NSW with eight coaches delivering and assisting in the delivery of various community courses in 2022.

A total of 13 community coach education courses were delivered in 2022, with 140 coaches completing one or more certificates in 2022.

The MiniRoos Certificate, the introductory coaching course for coaches of U6-U8 teams, continued to be the most sought-after course with 64 coaches completing their certificate across five courses. The MFA would like to thank Oran Park Rovers FC, Ingleburn Eagles Soccer Club, Douglas Park Wilton FC, and Camden Tigers FC for putting their hands up to host a MiniRoos Certificate during the 2022 season.

The MFA also delivered 4 Skill Training Certificates, a coaching course for coaches of children in the Skill Acquisition Phase (SAP) age groups of U8-U12, with 45 coaches, mainly from within our successful M-SAP League, completing their certificate. The MFA would like to thank Camden Falcons FC and Eschol Park FC for offering their home grounds as host locations for these courses although they were affected by the weather.

The Skill Training Certificate was also the first course that we piloted introductory webinars on and have now officially added the hour-long webinar as the first part of the course in order to minimise time away from family and provide coaches the opportunity to be upskilled from the comfort of their home.

Three Game Training Certificates were delivered in 2022 for coaches of youth teams from U12-U18, with Narellan Rangers SC hosting the opening course of the year at Nott Oval.

A total of 24 coaches completed their training with some of these coaches invited to register to the Advanced 'C' Licence at the end of the season as testament to their coaching journey and eagerness to develop themselves and their players.

We were also able to pilot an introductory webinar for the Game Training Certificate on the last course of the year and received positive feedback once again as coaches were appreciative of our effort to make coach education more accessible. We plan on formalising this process in 2023 in order to shorten the face-to-face delivery time of Game Training Certificates.

For the first time, we invited Ken Greenhead, Football NSW Institute Goalkeeper Coach, to deliver a Community Goalkeeping Course. The Community Goalkeeping Course is the perfect starting point for coaches who want to learn about the delivery of goalkeeper sessions that are safe, organised, enjoyable and reflective, whilst being player focused.

We will continue to engage with Ken as part of our long-term strategy to provide more opportunities for players in all positions, like goalkeepers, to receive high quality training and coaching.

2023 will see Macarthur FA take another step forward in making coach education courses more accessible by making all community courses free to locally registered participants (players, coaches, referees and volunteers).

DIGITAL COACH DEVELOPMENT

Further to the online components of the formal learning opportunities mentioned previously, 2022 was the MFA's first year partnering up with MOJO. MOJO is an American organisation offering a free-to-use grassroots coaching app with the aim to "empower players, families and coaches to unlock the magic of youth sports through incredible technology, content and experiences."

The MFA is also the first Australian organisation partnering up with MOJO who have partnerships with the MLS (Major Soccer League in the USA) and FC Barcelona.

We were able to successfully integrate the MOJO content into our formal coach education courses whilst also providing informal learning opportunities throughout the year with coaches able to access a full library of sessions, videos and coaching tips on the one app and the ability to watch three videos in less than ten minutes before their training sessions.

We saw great engagement during pre-season with our presentation to the clubs and the integration of the app into our coach education courses, which led to peak

engagement periods in March, April and May.

By June we had reached more than 250 active users and we are currently sitting on 316 users after our first full season partnering up with MOJO as our Official Grassroots Coaching App.

The MFA also continued its partnership with Sport Session Planner as a digital session planning tool for advanced coaches in the region to assist with their development. Through this partnership we have also engaged with The Coaches Voice, a European based digital coach education platform for advanced coaches, to provide further development opportunities to our MFA Coach Educators.

CLUB COACH DEVELOPMENT PROGRAM (CCDP) & FEMALE COACH DEVELOPMENT PROGRAM (FCDP)

The CCDP, formerly known as the CCC Program, saw limited success in the 2022 season due to the inclement weather and lack of training sessions throughout the year.

Despite this, the MFA's CCDP was still successful in 2022 with two workshops and 20 of our 22 local clubs engaging with coach education opportunities throughout the season.

A special mention goes out to the following clubs that were actively engaged with coach education opportunities during the 2022 season through the CCDP: Bradbury Ambarvale FC, Burragorang DSC, Camden Falcons FC, Camden Tigers FC, Douglas Park Wilton FC, Eschol Park FC, Gunners SC, Harrington United FC, Ingleburn SC, Oran Park FC and Picton Rangers FC.

As part of the coach development initiatives in 2022, the MFA launched a Female Coach Development Program (FCDP) with the purpose of supporting current female coaches and encouraging aspiring female volunteers to coach within our local clubs.

The program consists of a female coach's support network, workshops, coaching courses and resources that aim to cater to all coaches involved in the program, regardless of their coaching experience or commitment levels. 2022 saw the successful delivery of a Female Only MiniRoos Certificate and Female Only Skill Training Certificate with 23 female coaches successfully completing their qualification through these opportunities.

FA 'C' LICENCES

For the first time ever, Macarthur FA hosted two Football Australia 'C' Licences in the local region with Ron Dine Memorial Reserve, home of Camden Tigers FC, hosting the pre-season course in February 2022 for 16 participants. Meanwhile, Lynwood Park, home of Macarthur Rams FC and the Macarthur FA, hosted the post-season course in October and November 2022 for 19 participants.

The delivery of these two advanced courses has resulted in 30 new 'C' Licence accredited coaches from our Macarthur region: a huge accomplishment for our community.

PLAYER DEVELOPMENT

Holiday Clinics

Macarthur FA and Macarthur FC continued our partnership to deliver the popular Macarthur FC Bulls Holiday Clinics during the 2023 season.

Clinics were held at Wayne Gardner Reserve, Lynwood Park and Nott Oval in January, April, July and September holiday periods with more than 300 registrations across our Mixed 2-Day Clinics and 1-Day Girls Only Clinics.

The benefits of collaborating with the Macarthur Bulls was evident with all participants receiving a Macarthur FC training kit, Macarthur FC posters and the unique opportunity to meet Macarthur FC players like Lachie Rose and Charles M'Mombwa.

Association Development Program (ADP)

The ADP was delivered again during the season as a 20-week program aiming to provide opportunities for local kids

aged 5-12 years old to have access to development based supplementary training in a structured environment.

With 147 participants spread out across 3 hubs, the 2022 season was another success in what was a difficult year for training as all clubs can attest to. With Belgenny Reserve flooded and out of action for most of the season, Camden Falcons FC helped the ADP by securing access to Kirkham Park on a Monday night whilst Harrington United FC kindly provided us with access to their training field.

With so many parents and children providing positive feedback, the MFA decided to deliver a 9-week Summer ADP to provide further development opportunities during the off-season from October to December. With 68 registrations at the time of time writing this report, it is evident that the ADP continues to provide the local community with accessible opportunities to development-based training with MFA coaches.

Finally, I would like to thank all the clubs, volunteers, players, coaches, and parents for all their support in 2022. I look forward to a successful 2023 season with the growing M-SAP League and all the previously mentioned initiatives continuing to grow from strength to strength.

2022 SEASON HIGHLIGHTS

MINIROOS TAKE CENTRE STAGE

After two interrupted seasons, it was great to see thousands of primary-aged boys and girls back on the field enjoying community sport with their families.

Every week the MFA media team visited a local club to capture the MiniRoos in action, thanks to our presenting partner Guzman y Gomez. We thank all the young stars that contributed to our 'Team Talk' and 'Showreel' segments throughout 2022. It's fair to say that the kids loved the lime-light!

MACARTHUR CELEBRATES COMMUNITY FOOTBALL ROUND AT CAMPBELLTOWN STADIUM

Campbelltown Stadium was rocking on Sunday, 1 May 2022, with thousands of junior football players from across Macarthur's local club network participating in a march past during halftime of the A-League clash between the Bulls and the Jets. It was one of the largest crowds at Campbelltown Stadium since the Bulls joined the League during the pandemic. We look forward to working with the Bulls in the future to create further lasting memories.

M-LEAGUE GOES FROM STRENGTH TO STRENGTH

The Ottimo House M-League again took centre stage as Macarthur's premier competitions. Thanks to the continued support of broadcast partner Jum Media, there was more M-League coverage than ever in 2022, with over 50 regular season matches recorded, including Colts matches for the first time.

MOST POPULAR LIVE STREAMED GRAND FINALS

2022 MAJOR EVENTS

OTTIMO HOUSE M-LEAGUE SEASON LAUNCH: FRIDAY, 25 FEBRUARY 2022

The 2022 M-League Season was launched at Ottimo House, where we welcomed all competing teams, including five clubs from the Southern Districts Soccer Football Association that joined the Women's First Grade Competition. Special guests included Macarthur FC and Socceroos striker Tomi Juric, and Western Sydney Wanderers FC Women's representatives Catherine Canulli and Rosie Galea.

COMMUNITY FOOTBALL SEASON LAUNCH: FRIDAY, 18 MARCH 2022, WESTS LEAGUES CLUB

OTTIMO HOUSE M-LEAGUE AWARDS NIGHT: MONDAY, 29 AUGUST 2022, WESTS LEAGUES CLUB

A special night at Wests celebrating the very best of our premier competitions.

Hosted by prominent sports broadcaster Stephanie Brantz.

MINIROOS GALA DAYS: SATURDAY, 27 AUGUST 2022

The culmination of a great season of MiniRoos Football. Thank you to the Tahmoor Taipans, Harrington United, Mt Annan Mustangs, Bradbury Ambarvale, Oran Park Rovers, and Campbelltown Collegians for your hospitality and hosting such successful events.

M-SAP U8 & U9 CUP

The M-SAP Cup was introduced in 2022 for the new Development League. Congratulations to the Narellan Rangers and the Camden Tigers, the inaugural winners of the U8 and U9 Cups respectively

PRESIDENTS VS REFEREES: FRIDAY, 23 SEPTEMBER 2022

An annual event many look forward to in the Macarthur Football calendar. With the scores locked at 2-2 at the final whistle, it was the Referees who reclaimed the trophy, prevailing during the penalty shootout.

MACARTHUR REFEREES REPORT

DEREK MEECHAN
President, MDFRA

ON BEHALF OF THE MACARTHUR REFEREES ASSOCIATION (MDFRA) I WOULD LIKE TO THANK THE MFA AND ALL CLUBS FOR THEIR GREAT SUPPORT THROUGHOUT ANOTHER UNUSUAL & SHORTENED SEASON, I WOULD ESPECIALLY LIKE TO THANK SALV & DARCY FOR THEIR CONTINUING SUPPORT OF THE REFEREES.

On behalf of the Macarthur Referees Association (MDFRA) I would like to thank the MFA and all clubs for their great support throughout another difficult season, I would especially like to thank Salv & Darcy and the Board for their continuing support of the referees.

This year showed a large downturn in registrations with at least 70 fewer referees.

I would like to give a special mention to our appointments officer Stephen Whicker who has, once again, done a fantastic job, despite the lower numbers, along with MFA's Steve Carroll in obtaining a continued high coverage of games with coverage of 86% in juniors, 96% in seniors and 100% in M-League games.

This year some of our members have continued to achieve great heights in their refereeing career with Bradley Wright once again being appointed to the A-League Assistant

Referees Panel for the 2023 season & Chloe Gray being appointed to the NPL1 Ladies Grand Final.

The Association would also like to thank MFA for its grant which was used in the recruitment of new senior referees as well as the purchase of some communications equipment that was used in the M-League with great success. We hope this initiative can continue into the future

This year was our 40th year and it was great to catch up with some of our past and present members at our presentation.

To all clubs, committees, coaches, managers and players I would like to wish you and your families a Merry Christmas and a great new year.

CHAMPIONS

MFA SAP & AYL REPORT

ROD HENDERSON
MFA SAP Technical Director

ALLAN MARTIN
MFA AYL Technical Director

FOR THE SAP, 2022 WAS A GREAT YEAR WITH SOME GREAT FOOTBALL PLAYED ACROSS ALL AGE GROUPS. EACH AGE GROUP WAS HIGHLY COMPETITIVE EACH WEEK WITH SOME GREAT RESULTS COMING OUR WAY AS WELL. WE SAW SOME VERY ENTERTAINING FOOTBALL BEING PLAYED FROM EACH AGE GROUP WITH PASSING CONNECTIONS IMPROVING EVERY MATCH.

The season proved to be a little more challenging for the AYL. It was certainly tough to return after two interrupted seasons. Trials were not well attended as NSW finally came out of COVID lockdown. Despite our best efforts, we were unfortunately unable to field an U16 team in season 2022, which was disappointing. On a positive note, the program is successfully developing and transitioning players to NPL teams, which is a testament to the standard of coaching and the hard work of the players on the pitch. We congratulate all the players that have made the move from the AYL to an NPL team in 2022.

Access to Lynwood Stadium and Nott Oval has been a great advantage for the players and coaching staff, given the wet conditions throughout 2022. The relationship with and between the coaching staff created a brilliant environment for the players to learn and also for the coaches to feel

relaxed and express themselves. The relationship between the SAP and AYL has provided opportunities for SAP players to play up age groups and learn new skills and gain a new understanding of the game on the big pitch.

The introduction of games nights between the MFA and Macarthur Rams was also a welcome addition to the program, doing wonders for the development of the players.

Overall, it was a very satisfying year and I'd like to thank all the coaches and officials for a job well done.

MACARTHUR RAMS MEN'S REPORT

MICHAEL GIUSTI

Chairman Macarthur Rams Men FC

WHAT A YEAR 2022 WAS FOR FOOTBALL IN OUR REGION.

The preseason started late due to lockdowns and COVID-19 restrictions but finally managed to get on the training pitch late November 2021.

We started the preseason with players constantly getting sick with Covid as the pandemic was still hitting Sydneysiders constantly.

Due to restrictions, trials weren't able to run and we found that most clubs were signing players based on video footage.

We set out a plan to recruit local youth players from other NPL clubs by telling them about our vision to make Macarthur Rams great again by engaging the local community and clubs.

We managed to upset a few NPL1 and NPL2 Youth teams in our trials by playing a beautiful brand of football.

In February, we entered the Bathurst Cup and managed to get all our teams out of the group stages and into the quarter finals. Our 16s lost to eventual winners Blacktown Spartans.

The 2022 NPL3 Youth commenced and we started very strongly, sitting first in the Club Championship for 18 weeks out of 30.

As the season progressed into the final 10 weeks, a couple of our youth teams started to struggle with injuries, covid and other situations. This put the program into a very tight position as we had numerous players playing two games to cover. Unfortunately, it wasn't to be this year for youth, we will be back next year bigger and better and push for that promotion into NPL2 Youth. On the bright side, we still had three teams from five make semi-finals. Our youth for 2022 was made up of 96.2% local players.

The Seniors went through a full re-build, with our head coach Brett Hewit getting to work early and approaching a young batch of players from numerous NPL1 20s teams. At the start of the season, we had 16 new faces in our first-grade squad with an average age of 21. We noticed early on in the season that the younger players mixed with our more experienced players was a perfect match. We won some matches against competition heavyweights with our never say die attitude. We finished fifth in the competition and qualified for the finals series for the first time since 2014. In order to make the Grand Final, we needed to win four in a row and we achieved that by knocking out the teams that had finished above us in the league. We faced Inter Lions FC in the Final at Sydney United's home ground. Our team won 2-1 against the competition favourites. As the Chair, I was so proud to see so many local Macarthur supporters there on the day and I still believe that they were the ones that got us over the line that day.

Our SAP had an outstanding year. The U9 were predominantly local players from the under 8s M-SAP competition. I instructed our U9 coaches to attend these matches during the year and identify the best talent available. We continued to develop our SAP kids under the guidance of ex Socceroo Brett Emerton. We will continue to develop our kids from the region to become the best footballers they can be in the future. This will ensure that we will have a vast talent pool for all NPL clubs and MFA AYL when they go into the youth system.

Our local SAP sat at 98% local talent in 2022.

CHAMPIONS

WHOLESALE TROPHIES
www.wholesale-trophies.com.au

MACARTHUR RAMS WOMEN'S REPORT

ROB LAWS
Chairman

FOLLOWING A DISRUPTED TWO SEASONS WITH COVID ETC, 2022 SAW A RETURN TO A WELL PERFORMED AND SUCCESSFUL MACARTHUR RAMS WOMENS FC.

Topping off the season saw our first grade Rams win the grand final over Northern Tigers in one of the best NPL matches on display. This win now records Macarthur Rams as having the unprecedented record of winning five championships since the inception of the National Premier League. What a record and congratulations to players and coaching staff for a tremendous commitment to our club.

Coaches Stephen Peters and Peter Nowakowski showed what professionals they are in preparing the first and reserve squads who worked together from pre season and leading them towards their final achievements for the year.

The grand final win was a fitting finale for our stalwart player, Kylie Ledbrook (Matilda # 130) who retired after the match. Kylie has a remarkable football record including sixteen seasons with Macarthur Rams, together with an outstanding international and W League career. The testimonial dinner for Kylie Ledbrook and Leena Khamis who have a combined service of thirty eight years with Macarthur Rams was a highlight of this year's calendar. Presentations from previous Matilda coaches Alen Stajcic and Tom Sermanni highlighted

how much Kylie and Leena are held in high esteem and acknowledged their contribution to football and especially Macarthur Rams.

The accomplishments of our senior squads should not be under estimated and put us in an enviable position to take football forward yet again in the Macarthur area.

Participation in the National Premier League Women's competitions also involves the extremely important youth program, which includes Under 14, Under 15, Under 16 and the newly introduced Under 18 teams.

On a continual basis, the standard of play continues to excel on a technical, speed of play and physical attributes basis. This season was no exception and was especially competitive and a tough ask for Macarthur Rams with the teams being tested week in and week out.

Our Under 14 and Under 15 squads largely developed from the GSAP curriculum which assisted but performances still showed how much still needs to be done to stay competitive within the league. Although not amongst the leaders ladder wise in the competition, we were able to introduce these teams to the culture and way at Rams with an aim of lifting technical and physiological attributes for their future in the game.

The Under 16 and Under 18 teams were always aware of how intense their respective competitions were going to play out during the season. With both squads undergoing a rebuild of sorts, there was the need to fast track as much as possible a skill set needed to compete at NPL level. To this, team coaches Nathan Randall and Carlos Guardado must be congratulated for the manner in which they prepared, guided and advised their respective players on what is required from them.

The support of all MFA member clubs in the development of their young female players is welcomed by Macarthur Rams and you should all be especially proud of the contribution made to your players football development.

Girls Skill Acquisition Program (GSAP) saw another successful season for Macarthur Rams. The program consists of four teams – U10 through to U13 using a smaller field and player roster and is considered as a preparation for NPL beginning at U14.

Macarthur Rams GSAP is comprised totally of players from local Macarthur community clubs. Womens football is rapidly gaining momentum in the lead up to the 2023 World Cup to be hosted in Australia and Macarthur Rams Womens FC is at the forefront of young girl's football development.

Our coaches are fully accredited and all share the same passion for the continued growth of our sport. Each week

we are showcasing the incredible talent that our area has to offer.

Finally, 2023 sees the departure of several long term and very competent people due to MFA removing them from positions and installing Macarthur Rams Men's staff to oversee the women's program.

Our thanks and congratulations go out especially to Rob Laws, Claire Hamel and John Murtagh who have been especially supportive over many years. Your devotion and support of Macarthur Rams Womens FC has been greatly appreciated and acknowledged.

AROUND THE GROUNDS

BRADBURY AMBARVALE BEARS FC

For the first time in our 42-year history, the Bears entered teams into the Football NSW State Cup. The U12, U14, and U15 Boys teams' all represented the club, with the U14 and U15 winning their first round matches. Unfortunately, the tournament was cancelled after only one round due to the inclement weather, but we are very proud of our teams nonetheless. We will definitely build on this in the coming years.

BURRAGORANG DISTRICT SOCCER CLUB

Willis Park didn't hold up well with all the rain, and a lot of our home games were moved to other venues, which caused a lot of struggles for the teams and parents. We would like to say thank you to Steve and the MFA for all your hard work accommodating BDSC this year. We ended up hosting only

five home games this year, which after two years of Covid interruptions, was a hard slog for us at BDSC.

Our U12/4 team finished third in their competition and marched their way into the Grand Final & finished their season as Champions.

The U12/1 Girls finished their season one point away from making the finals. They had some excellent opportunities this year and would like to thank the Macarthur Rams G-SAP players, coaches & Kevin for organising & hosting our girls' team for a training session.

Our clubhouse finally got the dressing it deserved with new flooring; honour boards & storage added. We also laid new flooring in our canteen & change rooms. This finally completes the upgrade of Willis Park's facilities. We look forward to hopefully a challenge free year in 2023.

CAMPBELLTOWN COLLEGIANS

In a year where our All-Age Women's Division 3 team claimed the Championship, Collies celebrated 50 years with a formal gathering at the Catholic Club in September.

The club was also represented on the big stage, with Collies players walking the field during Community Football Round and the Australia Cup Final.

In a difficult season for many clubs, Collies were proud to host an additional 32 games at our fields to ensure as many games as possible could be played this season.

CAMDEN FALCONS

An incredibly challenging year for Falcons this year experiencing four flood events on the back of two years of COVID.

For most of the season Belgenny Reserve was not open for games or training.

Our committee became experienced in moving our gear from downstairs to upstairs to limit damage.

Thank you to Camden Council for providing alternative training and game venues such as Nugget Beames Reserve, Narellan Sports Hub, and Kirkham fields.

A big thank you to our football community who provided support and hosted games and training in particular, Gregory Hills FC and Harrington United.

The support from Falcons players and parents was greatly appreciated. A special thank you to the people who provided support with the clean ups and moving gear.

Despite the challenges, at the beginning of February, Falcons held a free Female Football Fun Day to introduce young female players from 5-12 years to football. We had positive participation and this year saw an increase in female teams and coaches.

In May, we joined together with Gregory Hills FC for Female Football Week and ran a Female Football Friday tournament for U6 – AAL. The event was opened by Camden Mayor Theresa Fedeli with great feedback received. Both clubs are looking forward to joining together in 2023 – the year of the Women's World Cup.

To cap off the season, Falcons MiniRoos players participated in the 'Little Legends Lap' at CommBank Stadium for the Australia Cup Final prior to kick off. Great atmosphere and an awesome experience for our young players. Thank you, Football Australia, for the opportunity.

ESCHOL PARK FC

In a year where we celebrated our 40th anniversary, the club welcomed the State Governments announcement that three sheltered and tiered seating areas would be installed around basin 3, thanks to the NSW Community Building Partnerships Program.

Our Annual Pink & Blue Charity Day was a huge success, with over \$26,000 successfully raised for Breast and Prostate Cancer. We had a heap of companies come out and assist us on the day to make this day as special as ever, including OMG decadent donuts Liverpool, Hyper foods, GAMES2U, Macarthur Cancer Council, Macarthur Bulls, All time Amusements, Gladys Succulents, Gledswood Rural Fire Brigade NSW RFS, Middleton Brigade, Fire and Rescue NSW station 092 St Andrews, NSW SES Campbelltown Unit, and Foti Fireworks finishing the day with a BANG.

We also had our M-League Womens, Colts, Reserves and First Grade all play at home for the first time and over 40 young girls walking our women out onto the field in their pink and blue jerseys.

It was also a big year for the club on the field, with six teams bringing home silverware, including the M-League U21 Colts team that went through the season having only dropped one match and making it to the semi-finals of the Football NSW Champion of Champions tournament.

Overall, 2023 was a great year for the Wolf Pack!

HARRINGTON UNITED

Harrington United Football Club has new upgraded facilities coming in 2023, starting in September. The upgrade includes one international soccer field, one full size local field, and some mini-fields. The club will also have a brand new club house.

Harrington United Football Club celebrated our 20 year anniversary this year with a dinner to honour our past presidents and valued members.

We would like to acknowledge our U18/21 girls, not only winning the Southern Districts SFA local competition, but taking on all before them to be crowned the 2022 Football NSW Champion of Champions after a resounding 5 – 0 win over Engadine in the Final. The U14 Girls also made it to the Champion of Champions Final, going down narrowly 2-1. We couldn't be prouder of both teams.

INGLEBURN EAGLES SC

2022 was an interesting season coming off the back of two interrupted seasons with COVID.

Although the season was still plagued with COVID and illness, wet weather decided to raise its ugly head this year. All in all, despite the washouts, rescheduling that followed, true to our club spirit, everyone performed as true ambassadors and again we were heartened to hear constant comments from other clubs, coaches and players confirming this.

Our minis welcomed our first U6 Girls' team, and along with

the rest of our Minis we congratulate them on a great season. Watching them go from having little or no experience at the beginning of the season, to banging goals in and making tackles at the end of the season, is a testament to our coaches and their dedication. The most pleasing was to watch the fun our players had and enjoying the game together.

Our junior teams had a mixed season. U12/3 started the season with a bang in Division 4, but once regarded to Division 3, they were pipped at the end and missed out on the Top 4. We welcomed U13 Division 1 to the club, who were a predominantly a new team this season. The U13/3 struggled after the regrades but were exemplary in terms of discipline. Our U15/2 players had a great year and teamwork and spirit improved as the season progressed.

Our Senior teams also represented the club in good style. Unfortunately, two of our teams disbanded before the season's end due to injuries and illness, however the remaining teams all made the semi's. AA4 was a combination of last years' U21 and a few new players and had a great season, progressing to the semi-final. AA6 finished the regular season in fourth and progressed through to the Grand Final, where they claimed the Championship. AA8 also had a great season, clinching the 2022 Premiership. Unfortunately, they were unable to claim the Championship. Our Ladies team went from strength to strength to finish second on the ladder for the 2022 season, no amount of rain could dampen this team's spirits!

Our O35 teams were as usual in most games, up to the task and played some exciting and outstanding football.

MACARTHUR MAGIC SPECIAL NEEDS FOOTBALL CLUB

Macarthur Magic SNFC celebrated our 10th Anniversary in 2022. It was our largest with well over 100 players registered and we are proud that we also have grown our female participation rate to almost 25% of our total players.

Macarthur Magic SNFC has grown significantly over the past 10 years and now provides one of the largest inclusive soccer programs in the state.

Despite the ongoing rain causing about half our playing weeks to be cancelled, we managed to run a successful season including one session at Lynwood Park on the synthetic pitch which was a great experience for our players.

Macarthur Magic also participated at the annual Football 4 All Gala Day hosted by Football NSW at Valentine Sports Complex in June.

We concluded our 10th season with a presentation day celebration event at Menangle Park Trackside, where we acknowledged:

- 3 x players who achieved 10 consecutive season with Macarthur Magic;
- Awarded our first life memberships to Geoff Golden and Lauren Golden (club founders, current president and treasurer); and
- Graeme Hughes and Cranky Ross Coleman who have volunteered as coaches at Macarthur Magic for all 10 seasons.

We also secured a Premier's grant which allowed the club to implement some ground improvements at Nuggets Beam Reserve including steps down to the playing surface (improving player access), a concreted area for our BBQ, and new shirts for our dedicated volunteer coaches and on field helpers.

PICTON RANGERS

In 2022 Picton Rangers Football Club had a big year both on and off the field. On the field, Picton Rangers had yet another increase in active members with 32 teams in the Macarthur competition including senior men's and women's and a full representation of female teams across competitive age groups. Off the field, the PRFC together with the Rural Fire Service secured \$2,130,000 from the Federal Government and further \$1,100,000 from the State Government of NSW to build a public facility to house local sporting organisations whilst serving as a coordination centre during major emergencies. These applications, led by the PRFC, reflect our determination to return the support (with interest) that our community provides to our club. Building is to commence in late 2022.

In 2022, the PRFC also celebrated its 50th anniversary (albeit delayed as our 50th season was in 2021). Over 1000 people joined our celebrations in recognition of the many players and supporters who have helped our club throughout the years. This celebration, and Picton Rangers football in 2022 would not have been possible without our enthusiastic and energetic committee, parents, carers, supporters and sponsors.

RUSE FC

The club wishes to congratulate Life Member and Club President Colin Campbell, the recipient of the prestigious Football NSW State Award for his long term service to Football.

Col has been servicing the game at club level for over 40 years and is one of the most well know and respected figures across Macarthur with plenty of time for everyone.

NOTES TO THE FINANCIAL STATEMENTS

For the year ended 30 June 2022

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Preparation

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the Associations Incorporations Act of New South Wales and Class Order 11/01. In the opinion of the Management Group the association is not a reporting entity because it is not reasonable to expect the existence of users who rely on the association's general purpose financial statements for information useful to them for making and evaluating decisions about the allocation of resources.

The association has not assessed whether these special purpose financial statements comply with all the recognition and measurement requirements in Australian Accounting Standards.

The financial report has been prepared on an accrual basis and is based on historical costs and does not take into account changing money values or, except where specifically stated, current valuations of non-current assets.

The following significant accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report.

(a) Accounts Receivables and Other Debtors

Accounts receivable and other debtors include amounts due from members and customers for goods sold and services performed in the ordinary course of operations. Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

(b) Property, Plant and Equipment (PPE)

PPE are carried at cost less, where applicable, any accumulated depreciation.

The depreciable amount of all PPE is depreciated over the useful lives of the assets to the association commencing from the time the asset is held ready for use.

(c) Income Tax

The Management Group are of the opinion that the Association is exempt from Income Tax under the provisions of Section 50.45 of the Income Tax Assessment Act 1997 and consequently no provision for taxation has been raised in the financial statements.

(d) Employee Benefits

Provision is made for the association's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee benefits have been measured at the amounts expected to be paid when the liability is settled.

(e) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, and other short-term highly liquid investments with original maturities of three months or less.

(f) Revenue and Other Income

Revenue is measured at the fair value of the consideration received or receivable after taking into account any trade discounts and volume rebates allowed.

Interest revenue is recognised when received.

Grant and donation income is recognised when the Association obtains control over the funds, which is generally at the time of receipt. Where the terms of the Grant or donation prescribe specific performance obligations, income is recognised when the performance obligations are satisfied.

All revenue is stated net of the amount of goods and services tax (GST).

(g) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). Receivables and payables are stated inclusive of the amount of GST receivable or payable.

(h) Trade and Other Payables

Trade and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the association that remain unpaid at the end of the reporting period. The balance is recognised as a current liability and is subject to normal credit terms (30-60 days). The balance is not interest-bearing.

NOTES TO THE FINANCIAL STATEMENTS

For the year ended 30 June 2022

Note 11: Events Subsequent to Reporting Date

There has been no matter or circumstance, other than that referred to in the financial statements or notes thereto, that has arisen since the end of the financial year, that has significantly affected, or may significantly affect, the operations of the entity, the results of those operations, or the state of affairs of the entity in future years.

The Management Group has determined that the association is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies outlined in Note 1 to the financial statements.

In the opinion of the Management Group the Income and Expenditure Statement, Statement of Financial Position, and Notes to the Financial Statements:

1. Presents fairly the financial position of Macarthur Football Association Inc as at 30 June 2022 and its performance for the year ended on that date.
2. At the date of this statement, there are reasonable grounds to believe that the association will be able to pay its debts as and when they fall due.

The Management Group is responsible for the reliability, accuracy and completeness of the accounting records and the disclosure of all material and relevant information.

This statement is made in accordance with a resolution of the Management Group and is signed for and on behalf of the Management Group by:

Chairman - Darcy Lound

Financial Controller - Rob Milne

The accompanying notes form part of these financial statements.

Two handwritten signatures in black ink. The first signature on the left is 'D. Lound' and the second signature on the right is 'Rob Milne'.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF MACARTHUR FOOTBALL ASSOCIATION INC

Report on the Audit of the Financial Report

Qualified Opinion

We have audited the accompanying financial report, being a special purpose financial report, of Macarthur Football Association Inc., which comprises the balance sheet as at 30 June 2022, the profit and loss statement for the year ended on that date, a summary of significant accounting policies, other explanatory notes and the statement by Members of the Management Group.

In our opinion, except for the effects on the financial report of such adjustments, if any, as might have been determined necessary had the limitation on our audit procedures referred to in the *Basis for Qualified Opinion* section of our report not existed, the financial report of Macarthur Football Association Inc:

- i. gives a true and fair view of Macarthur Football Association Inc.'s financial position as at 30 June 2022 and of its performance for the year ended on that date; and
- ii. complies with the accounting policies outlined in Note 1 to the financial statements.

Basis for Qualified Opinion

Due to the nature of the organisation, controls over the collection of revenue prior to their entry into the financial records is limited. Our audit procedures with respect to revenue were restricted to amounts recorded in the association's financial records. As a result, we are unable to express an opinion as to whether revenue is complete.

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the association in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Emphasis of Matter - Basis of Accounting

Without modifying our opinion, we draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared to assist Macarthur Football Association Inc. to satisfy the financial reporting requirements of the constitution and Associations Incorporation Act. As a result, the financial report may not be suitable for another purpose.

Management Group's Responsibility for the Financial Report

The Management Group of the association are responsible for the preparation and fair presentation of the financial report, and have determined that the accounting policies described in Note 1 to the financial statements, which form part of the financial report, are appropriate to meet the financial reporting requirements of the constitution, Associations Incorporation Act and the needs of members. This responsibility includes establishing and maintaining internal control relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

In preparing the financial report, the Management Group is responsible for assessing the association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Management Group either intends to liquidate the association or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level assurance, it is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with Australian Auditing standards, we exercise professional judgement and maintain professional scepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the association's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management Group.
- Conclude on the appropriateness of the Management Group's uses of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the association to cease to continue as a going concern
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation

We communicate with the Management Group regarding, among other matters, the planned scope and timing of the audit and significant findings, including any significant deficiencies in internal control that we identify during the audit.
